

Here are some general activities you can complete if you are learning from home due to isolation or for some other reason. Children in Year 6 will get an email through Purple Mash as soon as possible after they begin learning from home with more specific activities that follow the learning in school. They should complete the activities in the email instead of the general activities below once they get the email. The activities below are intended to be used in case there is a delay in sending the email.
