Dear Parents,

1st February 2019

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that you can soon make payments for school dinners, trips & clubs with your debit or credit card online.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for.

SchoolMoney will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through school and as long as your contact details are up to date we will send you a password within the next few weeks. **SchoolMoney** is from the same provider as **Teachers2Parents** our texting service, so your mobile phone number will be used from this system – please let us know if you have changed mobile number recently.

The go live date is Monday 25th February (after half term) so from this date we will no longer accept cash in the office, there will be an option to use **PayPoint** (paying cash at the local PayPoint location) please speak to the office for more information on this.

We appreciate your cooperation in the early stages of rolling this system out to you, if you have any initial queries please speak to us in the office. We will be in touch before half term with details on how to logon to the new system and how you will be booking dinners, trips, clubs etc online.

Thank you in advance for your support

Andrew Davies
Headteacher
