

# CLASS 2

- ▶ Hello lovely Class 2, We will be teaching you in September. We can't wait to get to know you.
- ▶ I love Literacy and books and I really love History. My favourite thing is seeing lots of smiles and having fun together! (Mrs. Slaney Mon-Wed)
- ▶ I love Maths, art and funny stories so I hope to hear plenty of these. (Mrs Taylor-Jones Thurs/Friday)

# Topic taster

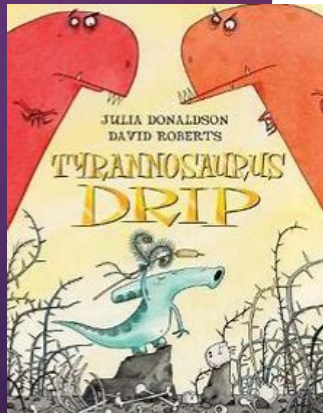

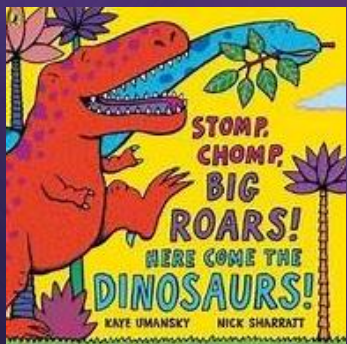

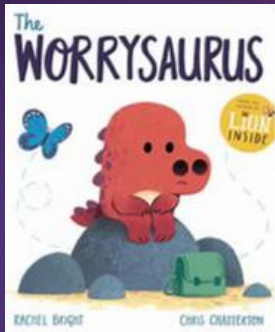

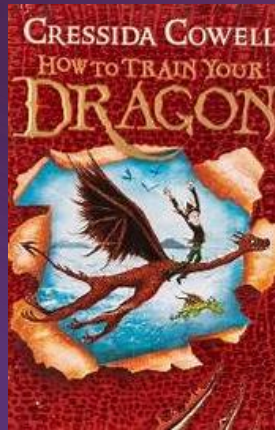

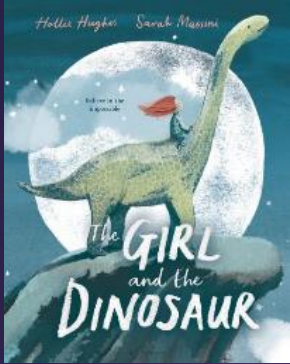

▶ Next year we will be studying:

▶ Science: Animals and their habitats.

▶ Geography: The continents and oceans and where dinosaurs came from!

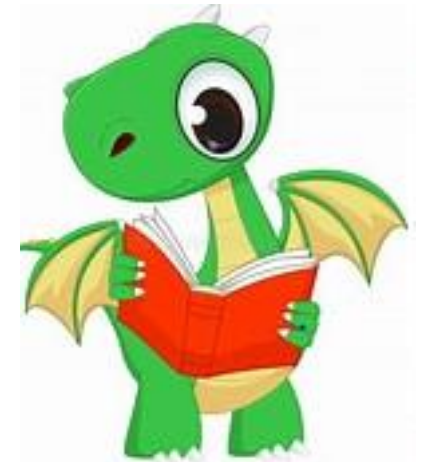

▶ History: Dinosaurs, the history and Holbrook and the history of the Mills.

# Let's get reading

▶ Next year we will have a variety of class texts, which we will read together every day. We will also be working in whole class groups to develop key skills such as inference and prediction as well as regular one-to-one reading.

▶ As you know, reading is so important as it secures our futures. It is therefore important that our children read to an adult regularly at home. As well as reading books from school, it is important to develop a love of reading by experiencing a range of texts.

# Homework

Homework is so important and is planned to support your learning in class.

Homework will be sent home on a Friday and returned on a Wednesday. New spelling will be given each Friday alongside the homework and will be tested the following Friday.

Homework tasks will be related to what we have done in school that week and we will try and keep them as practical as possible.

Our homework overview is available on our website and will be sent out to you in September. We try to make sure any homework set is manageable for children and for you!

We are very excited to use Class Dojo to let you know what we have been up to in class and share our work with you. Remember your class dojos can earn prizes!

Class Dojo can be used to send the class teacher a message, however please remember:

- You shouldn't share information of a sensitive nature in a Class Dojo message
- Be mindful of teacher's workload – please don't message in the evening and at the weekend and please be positive.
- Any problems or concerns should come through the office.
- Teachers may not respond the same day to messages so don't message with anything urgent – the school office email should be used for any important messages.

# What else do you need to know?

- ▶ We usually have Maths and Literacy in the morning then topic/science/art/ PE/ etc. in the afternoons.
- ▶ How is having two teachers different?
- ▶ Mrs Slaney will teach you on a Monday, Tuesday and Wednesday then Mrs Taylor-Jones will teach you on a Thursday and Friday.
- ▶ Mrs Bryan and Mrs Coffey also work with us.

# Our first topic!

- ▶ Our first topic in September is 'Stomp and Chomp'. All about dinosaurs and other large creatures!
- ▶ We will link a lot of our learning to our topic, we will have dinosaur poetry, non fiction instruction writing about how to train your dragon (or choice of large pet) and dinosaur themed science investigations!
- ▶ To launch our new topic, we will have a Dinosaur dress up day on Monday 12th September. The children could wear anything they like that fits our topic theme – it could be a full dinosaur costume, a dinosaur t-shirt, or even dress as a paleontologist!

**We can't wait to welcome  
you (or welcome you back)  
to Class Two!**
