09.10.22 – Black History Week

09.10.23 – Christmas Cards returned to school

24/26.10.22 – Parents' evening

A full lists of dates for the year can be found on the school website

Harvest Festival: Just a reminder that we will be celebrating our Harvest Festival at the church on the 12th October, and are asking for donations from the 9th October for the Padley Centre. If some of the donations come in decorated boxes that would be wonderful as then we can then use them to display in the church.

MacMillan Coffee Morning: Thank you for your donations to our coffee morning. We collected an amazing £103.20. Thanks to our Year 5 for running things, with a little support of course from Mrs Shaw and Mrs Swift-Somers! We hope you enjoyed the cakes!

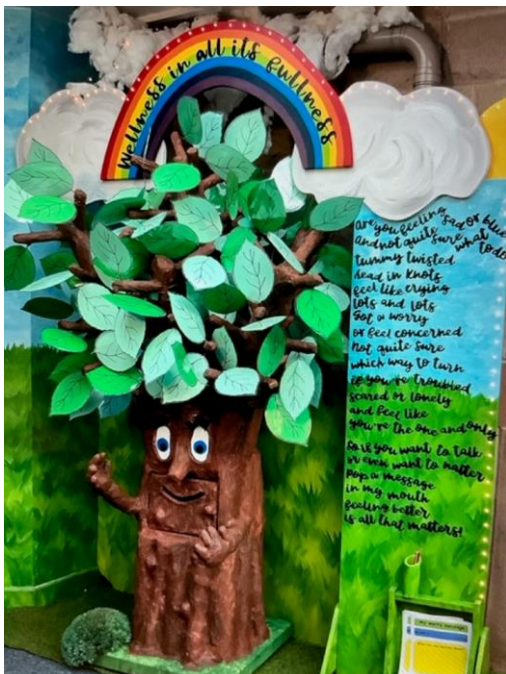

Christmas Cards: Children will be bringing home their Christmas Card design today or Monday. Orders can be placed online. Please consider buying if you can as school earns commission on orders. They all look lovely, and there are a range of options – as well as cards, wrapping paper, mugs and gift tags are available. Children's artwork must be returned to school once you have ordered online, by Monday 9th October at the latest.

Open morning: A reminder that we have two open mornings running for families who have children starting school in September 2024, Tuesday 3rd October and Wednesday 25th October. Both are at 9.30am. Please let anyone know who you think might be interested.

School Council: Congratulations to our school Council members who have had their first meeting today, following their class election. Our Year 6 leads had to be particularly brave and make their speeches in assembly, where the whole school voted. Each of the Year 6 have an extra responsibility too, with Harrison being Well-Being Minister, Iris B being Eco Minister and Ivy AH being Community Minister.

Children as leaders: This year we are focusing on providing opportunities for children to develop their leadership skills. As well as our School Council, we are establishing an Eco Task Force and a Community Task Force so there will be lots of chances for children to get involved!

Well-being: We are always looking for ways to support children's well-being and here's our latest initiative, once again the result of a lot of hard work by Mr and Mrs Parker. Our worry tree has yet to be named, but its already doing a fabulous job brightening up the corridor as well as providing another way for children to let us know about upsets or worries.
