11.10 - NEW: Open morning for new starters

12.10 - individual photos

13.10 - Harvest festival in church

*A full lists of dates for the year can be found on the school website*

### Message from the Headteacher:

A huge welcome back to all our families, new and old. The children have settled into school so well and our new staff members have too.

It is a sad time for the country as we have to say a final farewell to Queen Elizabeth and lots of the children came in talking about the news this morning, as you would expect. We have talked to the children today a little about her life and in assembly I reminded children that should they feel worried or upset, to talk to grown ups at home or at school.

With a new Prime Minister, a new King and a new school year, it really does feel like a new start and we hope we will have much to look forward to in the coming term.

**New website:** Our website is undergoing a long overdue overhaul. Please do have a look if you have chance – there are some lovely pictures on there! It's still in a period of transition so bear with us if you can't find something, but hopefully you can already see an improvement.

**Water bottles:** To support children's health, we encourage them to drink regularly through the day. Please note that children should only be bringing water into school, not juice of any kind. This is in keeping with the school food standards. If your child requires juice because of a medical condition, please just let us know. Otherwise, we will be giving lots of reminders to children to bring in water over the next few weeks. We know it's very hard to say 'no' to your child if other children are coming in with juice, so everyone's support is crucial so that we can have all children bringing in water which they can refill through the day so it is always fresh and cool.

**Buddies:** A huge thank you to the children in Class 5 who have really helped our newest Reception children to settle into school life. The children have really settled into their new routines well and formed lovely friendships.
