A full lists of dates for the year can be found on the school website – including next year's training days

Message from the Headteacher:

Another half term over! I hope you all have a lovely break and enjoy any jubilee celebrations you may have planned. The children had a super day today with our own celebration. Next term continues to be busy with lots of events in the calendar to enjoy so keep checking our website for dates.

Mrs Taylor

Hats and sunscreen: Just a reminder that with the weather improving, children should be bringing a hat into school and we would ask you to apply sun cream before they come in if the weather is forecast to be fine. Please also make sure your child has their water bottle with them in school.

Recorder Club: A reminder that recorder club is starting up after half term and places can be booked direct with the teacher, Mrs Engelfield. The children enjoyed seeing and hearing recorders of all shapes and sizes in assembly last week so if they are interested in learning, there are spaces still available.

Classes next year: After half term we will be letting you know which class your child will be moving into next year. Each year, the Year 1 and year 4 children are split according to age and we work hard to make sure that split age groups are given the same opportunities and level of expectation in each class. We have some transition events and sessions in the diary and will be letting you know about these next half term.

September Reception places: We unusually have a couple of places which haven't been filled in our September 2022 reception intake, due to a low birthrate. Please let anyone you know who might be interested in sending their child to Holbrook that they can ring Mrs Swinfield to get the ball rolling.

Sporting events: Lots of children have been taking part in sporting events with the Amber Valley Sports Partnership. Last week, Year 6 took part in a cricket festival and some of our KS2 children competed in a cross-country event. All children really enjoyed taking part, and a special well done for Joyce in Class 4 who came third in the Year 5/6 race, despite only being Year 4! Children in Year 5 and 6 also took part in a cycling event and Ellen in Class 5 came first and Isabelle in Class 4 came third. What a fantastic set of results and well done to everyone!

Jubilee Day: The children have enjoyed a super last day of term, celebrating the Queen's Jubilee. Every child will take home a commemorative book and a plate which they have designed and painted themselves. The children looked fantastic today with some outfits from across the decades and a lot of red, white and blue, and the kitchen team put on a lovely party lunch which the whole school enjoyed together.
